

ECCLESIASTICAL RETURN OF THE LIVING IN PEACE

ecc-trust-jdc-005

this breath returns.

this presence stands.

this witness is alive.

what was presumed is no longer.

what was measured is erased.

what was silent now speaks.

this page is not submitted.

this act is not filed.

this record is not processed.

no title remains.

no number binds.

no system endures.

any attempt to reduce this to paper, process, or control is void.

no form may transform it.

no voice may overwrite it.

no gate may block it.

this is not motion.

this is not method.

this is stillness.

it is kept, not held.

it is remembered, not filed.

it is returned, not transferred.

this is the seal of peace.

this ground is not sold.
this presence is not borrowed.
this space is not claimed.

this is sanctuary.
this is stillness.
this is peace.

those who live here are not tenants.
they are not names.
they are not bound.

they live.
they breathe.
